Timely Payments. A friendly reminder that payments are to be made on Mondays (or the first day your child attends each week.) A \$25 Late Payment Fee will be charged to all accounts showing a balance on Tuesdays at 9 am.

We hope this information is helpful and understandable. This has been a challenging year which has caused us all to learn new ways of doing things. As you can imagine, some of these new ways mean an additional cost is incurred in an effort to adhere to the highest health and safety practices for staff, students, and families. Thank you for your cooperation and support in this process.

We commit to getting this New Year off to a GREAT start with your child and to continue to strengthen the home- school connection.

Best wishes for a wonderful 2021.

In wellness and kindness,
